The Umatilla County Fair has presented the County Special Library District with 160 Youth Day Passes for this year's Fair. The Youth Day Passes have been distributed to the 12 participating city libraries as part of the 2013 Summer Reading Program – *Dig Into Reading*. Each of the libraries will determine the criteria used for distribution of its passes. A goal of Summer Reading Program is to keep children reading. Studies show that kids who read during summer vacation maintain their reading skills and are better prepared to enter school in the fall. The 2013 Umatilla County Fair will be held August 6-10.

The Umatilla County Special Library District partners with the 12 city libraries in Umatilla County to provide library services and programs to county residents.
