## **LIBRARY DISTRICT ANNOUNCES KINDLE WINNER**

The Umatilla County Special Library District (UCSLD) was pleased to meet Susan Read of Hermiston and present her with a new Kindle Touch. Susan's lucky winning entry was selected from more than a thousand drawing entries received during this year's Umatilla County Fair. Susan was very excited to receive the Kindle stating that "I never win anything". The drawing was part of the Library District's exhibit of public library services available throughout the county. The Kindle is one of many electronic devices that can download books from UCSLD's Library2Go service. For more information about Library2Go visit your nearest library or go to your library's website. Library2Go is available to all city library card holders in Umatilla County.

UCSLD's mission is to support the development of public libraries in Umatilla County to provide services, programs, and continuing educational opportunities to individuals of all ages, thereby strengthening their communities through individual, family, economic, and community development.
